Additional Information Collected During Inspection

Comments

facility had small fire in fryer 1/25/2016 ansel system discharged. Tom Scoles responded requested clean up of area prior to reopening. inspection today found that clean up has occurred all items discarded. however, SCDOH is requesting further cleaning of equipment and facility. suggested a professional company come through do a thorough cleaning of smoker; sides beneath and behind equipment on front line; once thoroughly cleaned suggest that management develop a routine cleaning of equipment and hood system vents to prevent future fires
