Additional Information Collected During Inspection

Comments

discussed with the health director and the asst health director the meaning of double locked ( according to guidance documents double locked requires two separate keys; must administer all meds as written by physician; any changes in meds that differ from health forms must be given in written form with camper's physician's signature; cannot separate meds out a head of time and placed in separate cups; meds must be administered from original container; infirmary needs NYSDOH reportable injury poster and forms
