### Code Requirements

### Inspector Findings

---

### Additional Information Collected During Inspection

### Comments

Rooms checked during inspection did not yield any concerns (116, 208, 327, 421). Room check procedure demonstrated during inspection. Gave some guidance on bed bug checks, keep lights off, close curtains, make sure to check inside drawers, under the mattress, behind the headboard, and the seam of the mattress when conducting checks. Housekeeping manager conducts 10 room checks a week for quality and bedbugs.

For guidance or information we are available and have information available for hotel use.
