DATE: November 16, 2016
RE: 2017 County Budget Message

Honorable Supervisors,

I am reporting the 2017 county budget is amended as directed and is now complete for your consideration and adoption. I commend the BOS and county staff for their continued stewardship of public funds. We will remain compliant with the New York State Tax Cap legislation for FY2017 with a minimal increase of 1.5% to the property tax levy. This budget maintains the level of public services typically expected of our county.

Providing typically expected services and limiting property tax increases to remain compliant with the Tax Cap Legislation is problematic. Our 2017 budgeted gaming revenues will help but our 2017 budgeted sales tax revenue remains flat. Our typical liquidation of the Tax Reduction Reserve will not be possible beyond 2019. Therefore, absent a combined effort of increasing revenues and decreasing expenses, we will be unable to remain Tax Cap compliant in a few years.

Seneca County will enjoy the leveraged advantages and cost reductions of a leased fleet, centralized finance department, electric energy contract and the

purchase/management of the former BonaDent building. We should simultaneously and aggressively pursue new revenue like the economic development potential of the Hwy 318 corridor and sanitary sewer system. Another obvious potential is becoming a destination location, soon in the shadow of the del Lago Resort and Casino, by leveraging our geographic assets of lakes, canal, wine industry and tourism.

Thank you.
