- Town of Romulus
Subdivision Review
VanRiper, Barton
Route 89

The property owners wish to subdivide their property for the purposes of dividing off 1.97 acres for sale as a Residential Lot on the Lake. The owner will retain the 3.02 acres for development of a personal residence. Both parcels will have lake and road access and meet the minimum size requirements for the Town Zoning.

Seneca Army Depot Airfield, Route 96A

The previous proposal reviewed in April has been modified. The Seneca County IDA proposes to subdivide a 13.74 acre parcel that will be deeded to Seneca County. This is approximately four (4) acres greater than previous and accounts for property that constitutes the area of the access road.

- Town of Tyre
Site Plan Modification & Sign Modification
del Lago Resort & Casino, LLC
State Route 414

del Lago Resort and Casino, LLC has submitted an application to modify its Site Plan by: 1) Removing the drumlin along the Thruway, regrading, installing a fence and plantings. 2) Removing trees of less than 15" along Thruway Right-of-Way as well as dead and fallen timber and scrub brush. 3) Reconfigure the parking lot to allow for 38 additional parking spaces. The proposed sign is an 80' ft. height pylon sign that will have a static changeable message area of 20' X 36' that will be changed no more than once a day.
