

LAKE ONTARIO HOMEOWNER RECOVERY FUND

Overview

NYS Homes and Community Renewal has made available up to \$15 million in Affordable Homeownership Development Program Funds to support homeowners that have been affected by the severe flooding along Lake Ontario and the St. Lawrence River. The program seeks to offer recovery assistance for which insurance or other disaster recovery assistance is either not available or insufficient, providing up to \$50,000 for homeowners to support interior and exterior repairs to structural damage caused by flooding, as well as the repair or replacement of permanent fixtures.

The program will be administered through participating not-for-profit housing organizations.

Eligible Activities

Funds will reimburse homeowners for interior and/or exterior repairs to structural damage caused by the floods, and other related costs, as well as for the repair and/or replacement of permanent fixtures. Eligible activities include but are not limited to the repair or replacement of foundations, septs, electrical systems, mechanicals, insulation, and drywall.

Eligible Recipients

In order to be eligible to receive assistance, property owners must have occupied the property as their primary residence at the time of the flood.

Second homes are eligible for assistance provided the total annual income of the occupants is less than \$275,000.
