Reports of Standing Committees:

**Environmental Affairs Committee** – Supervisor Churchill, Chairman. The committee recommended a resolution that would authorize the county to take ownership of the property at the former army depot. The intent of the resolution is to make sure the white deer herd is protected. The committee did not think it was in the best interest for the county to have the property sold in a private bid process disallowing the participation by the Board of Supervisors.

**Finance, Assessment & Insurance** – Supervisor Prouty, Chairman. The committee recommended a resolution authorizing the county treasurer to make amendments to the 2016 county budget with amounts over one thousand dollars.

**Government Operations** – Supervisor Garlick Lorenzetti, Chairwoman. The County Historian, Walter Gable is authoring a book with the title, Seneca County Chronicles. It will be a compilation of a series of articles on various topics researched and written by Mr. Gable as part of his work these past several years as Seneca County Historian. Publication of the book is scheduled for spring 2017. It is estimated that only a small sum of money will come from royalty revenues for the sale of this book. Mr. Gable estimates that the amount will be about $100. Those revenues will go to Seneca County, to the general treasury if not directly to the historian budget code.

The Committee approved and recommended a board resolution to (1) rescind the current purchasing policy. The proposed revised policy will increase the authority of both Department Heads and the County Manager to determine levels of purchasing, budget transfers and pricing documentation. This policy brings to date existing procedures now utilized by the MUNIS accounting computer application. This policy will make the county’s purchasing process more responsive and efficient; (2) abolish one full-time typist position and create one full-time Staff Resources Assistant Position in the office of the District Attorney.

**Public Works Committee** – Supervisor Trout, Chairman. The Committee met on January 26 and made the following recommendations for a board resolution: (1) Superintendent of Facilities to send out an RFP to secure engineering services to design and provide a cost assessment for the purchase and installation of Carbon Monoxide Detector Systems. New York State Building Standards and Codes, Article 1228.4 is requiring all commercial buildings to install carbon monoxide detection systems in all public building no later than June 27, 2016; (2) to renew the contract with Power Management Systems for the County’s natural gas and electric supply at a fixed rate for period of 36 months with a possible cost savings of $40,000; (3) abolish two part-time laborer positions and create one full-time laborer position at Grade 2 of the CSEA Salary Schedule; (4) a resolution to adopt the proposed increase rate for Water District #1.

The loan will help stabilize the business and assist in the saving of ten full-time jobs; (3) a resolution to advertise for Requests for Proposal (RFP) from qualified engineering firms to renovate the former Brig at the Sampson Veterans Memorial Cemetery into a maintenance storage facility. The status of the foreclosure case: we are waiting for a decision from Judge Siragusa of the US District Court. Once the judgement is received, Bond Schoeneck & King (BSK) will petition the Second Circuit Court of Appeals.
New York State has approved the payment of legal bills by BSK while representing Seneca County under NY State Section 10.

Reports of Special Committees

Seneca County Advisory Committee on Tourism (SCACOT) – Supervisor Shipley. The committee met on February 4 and made the following recommendations: (1) increase the county’s occupancy tax from 3% to 4%. Seneca County’s current rate is the lowest among the five bordering counties; (2) the county should join with the Chamber of Commerce in opposition to the $15 minimum wage, noting that local tourism businesses will be among the most impacted by the increase. Many businesses continue to adjust to the recent increase at $9 minimum wage and server-staff increased minimums.

SCACOT passed a resolution: “SCACOT supports the preservation of the Seneca White Deer and recognizes their unique roles as a tourism attractor for Seneca County. The committee urges local officials and prospective buyers to consider mutually beneficial re-uses for the former Seneca Army Depot in pursuit of solutions that keep these indelible assets a fixture in our community for many years to come.”

RESOLUTIONS & MOTIONS

Supervisor Churchill made a motion, second by Supervisor Kronenwetter, and carried unanimously, to take business out of order and consider the resolution authorizing the county move forward to take ownership of the depot.

Supervisor Trout made a motion, second by Supervisor Garlick Lorenzetti, to amend the main motion by deleting / replacing text that references ownership of depot property by Seneca County; that the IDA confide with and give considerable weight to the opinion of the Board of Supervisors during the bid process; and that Seneca County submit a bid to the IDA for that property on the depot where the fire training center is located.

Supervisors Churchill, Lazzaro, and Kronenwetter objected to the amendment stating that it changed the intent of the original resolution – for the county to take ownership of the depot – and that the amendment on the floor was a re-write of the original resolution.

Supervisor Garlick Lorenzetti said that the amendment includes the intent of the original resolution – for the white deer to be preserved and for the Board of Supervisors to have a say in what is best for the white deer when the bids are awarded.

The motion to amend the main motion was carried by 447 ayes and 261 nays (Lazzaro, Churchill, Kronenwetter, Westfall) and 42 not present (Hayssen).
