Pledge of Allegiance and Moment of Silence

Presentation

One Seneca - Jeff Shipley, President & CEO, Seneca County Chamber of Commerce. One Seneca is an effort to provide collaborative leadership, education and organization for initiatives that impact our community. It is important for everyone to be moving in the same direction with a shared vision for the future. There have been two public input sessions (#1 held in Ovid, #2 held in Seneca Falls), survey has been created – roughly 200 contributed their opinions at the info sessions and another 30 have been received online, media placements have been secured on radio and print, website (oneseneca.com) has been created and the Chamber and IDA have held joint sessions featuring the initiative as the main topic of conversation.

Petitioner

Mary Anne Kowalski, resident, Romulus; in-district customer, Seneca County Water and Sewer District, offered comments on the Audit and Corrective Action Plan for Water 1, Sewer 1 and Sewer 2 Districts, urging the Board of Supervisors to reject the proposed response to the Comptroller Audit, which outlines the recommendation by the county manager to contract out the administration, daily operations and maintenance of the districts and the two sewer districts.

Following Ms. Kowalski’s comments, the Board discussed the status of the districts. In part the discussion leaned towards not contracting out services; and the repairs could be done step by step. Sprvr. Hayssen expressed opposition to combining the sewer district when YAWS has been handling the district for years. He is against contracting with an outside company to run the districts. County Manager Sheppard stands by his recommendation to contract out the administration and operation of the three districts combined, considering the county does not have the staff with the expertise required to run the districts and the timeline to make repairs is beyond our control with the temporary SPDES.

Open Privilege of the Floor

Kyle Black, District Manager, Seneca Meadows, Inc. reported that the project to mitigate odors is almost completed. Complaints are down by 40% - continue to strive for less.
Sprvr. Churchill inquired if SMI would post data/information on its website regarding odor mitigation. Mr. Black said he will research the possibility.

Doug Avery, resident, Seneca Falls, brought attention to the upcoming public hearings regarding SMI, Inc.’s application to the DEC for a renewal of its operating permit for ten more years. The DEC is holding public hearings on August 10 at 3:00 p.m. and 6:00 p.m. at the Mynderse Academy auditorium.

Joseph DiCicco, resident, Waterloo, - When he was in the village of Waterloo at 10:00 a.m. and again at 2:45 p.m., he smelled the worst garbage odor from the landfill. He said trying to promote and finance tourism is a waste of time and money, as long as the largest landfill in NYS is operating in Seneca County. He believes that when the odor is inhaled, we are being poisoned. He offered comments supporting data being published on SMI’s website.

Approval of Meeting Minutes

The minutes for the regular board meeting on July 11, 2017 were approved.

The amended minutes for the special board meeting on June 27, 2017 were approved as amended to include the following text:

**Discussion - Resolution No. 149-17**

Prior to voting on the motion, Sprvr. Hayssen said he would be voting against reappointing John Sheppard because the issue of the county owing Varick hundreds of thousands of dollars for a delinquent water bill; and a new water meter has yet to be installed.

Sprvr. Westfall said he would be voting in favor of reappointing Mr. Sheppard for another four year term. He said Mr. Sheppard is bringing the county into the 21st Century. Sprvr. Westfall thanked Sprvrs. Garlick Lorenzetti and Davidson for interviewing almost all of the department heads regarding the county manager. The feedback in favor of Mr. Sheppard’s reappointment was all positive.

Verifying the Vote

Immediately following Chairman Shipley’s announcement of the result of voting, Sprvr. Hayssen demanded a roll call vote, which was denied by Chairman Shipley as the result was clearly in the affirmative having heard only two nays from Sprvr. Hayssen and Sprvr. Garlick Lorenzetti.

Submission of Claims for Audit

The Finance Director has started processing claims in accordance with Seneca County Local Law No. 5 of 2016 §4 (b) “Audit all claims, accounts and demands that are lawful County charges with the same effect as if audited and directed to be paid by the Board of Supervisors”. Finance Director Deeds said she would have a report of claims processed at the September board meeting.
Reports of Standing Committees

**Public Health Services Committee** – Sprvr. McGreevy, Chairman. We authorized refilling the Senior Code Enforcement Office position which does not require a board resolution. We authorized creating a Service Coordinator Position and a Public Health Specialist position; and there are several “housekeeping” resolutions that will be considered later tonight.

**Public Safety Committee** – Sprvr. Davidson, Chairman. The committee okayed refilling three positions on a temporary basis for deputy. Two employees are out under 2017-c benefits and one employee will be deployed to Afghanistan. In addition, four new deputy recruit positions will be filled in January 2018.

**Human Services Committee** – Sprvr. Lazzaro, Chairman. The committee referred two resolutions on tonight’s agenda. One is approving the 2017-2018 Plan for Supervision and Treatment Services for Juveniles. The other is to advertise for two separate public hearings for the Office for the Aging Annual Implementation of Services Plan. The public hearing are scheduled for September 26 at 11:30 a.m. at the Verona Village community room; and September 28 at 11:30 a.m. at the new location for the Office for the Aging, formally the BonaDent building.

The committee also approved refilling several positions: a position for Part-time Temporary Aging Services Aide and a position for Social Welfare Examiner for the HEAP program; and two positions for Caseworker Trainees in Child Protective Services.

**Planning, Development, Agriculture & Tourism Committee** – Sprvr. Kaiser, Chairman. The Board of Supervisors will consider taking action that will authorize the advertisement of bids for the design and construction of the hangar space and the demolition of the maintenance building at the Finger Lakes Airport.

**Government Operations Committee** – Sprvr. Garlick Lorenzetti, Chairwoman. The committee did not refer anything for tonight’s meeting. We continue to work on a policy that will enforce the residency requirement – currently the Personnel Office has a form that perspective employees have to sign attesting to be residents of Seneca County. We talked about what we would accept as proof of residency.

We met with Anne Marie Heizmann, President of Seneca County Farm Bureau and Tom Murray, owner, Muranda Cheese, who proposed reforming the Seneca County Codes Enforcement Department, primarily by having the towns assume the responsibility. A more in-depth discussion has been scheduled.

**Public Works Committee** – Sprvr. Trout, Chairman. In addition to the resolutions listed on the agenda under Public Works, the committee authorized refilling a position for MEO-Heavy by promoting staff currently in the position of MEO-Light; and leaving the position for MEO-Light vacant.
Regarding the construction improvement project for the Drop In Center restrooms, one vendor responded to the bid. The committee directed the Superintendent of Facilities to re-bid the project, this time with additional tasks included and a due date in the off-season months, and hopefully this will result in more favorable responses.

Mental Health Services Committee – Sprvr. Wadhams, Chairman. There is a resolution that if adopted will authorize a contract with the company, Sexual Behaviors Outreach Consultants, to provide sex offender treatment services.

Community Services Director Margaret Morse gave a presentation regarding the opioid epidemic and Seneca County is not immune - two additional deaths due to opioid overdose occurred here just last week.

Finance, Assessment & Insurance Committee – Sprvr. Westfall, Chairman. The committee approved a resolution that is on the agenda for tonight authorizing budget amendments to accurately reflect organizational changes in 2017.

County Manager’s Remarks

Deadline dates are approaching for the county Shared Services Plan. Fayette and Lodi will be sharing mowing and snow plowing. Covert is considering sharing mowing services. The plan needs to be adopted by the Shared Services Panel and then by the Board of Supervisors.

HSS Building (formerly BonaDent) – ponds will be drained this month. Generator needs to be replaced. The boiler will be moved from Thurber Drive to the HSS building. There are some exterior modifications that are being considered. The anticipated time for the move is late September / early October.

The county manager is prepared to set-up budget workshops and he will be contacting committee chairs to arrange time and date.

Placed on the desks of each supervisor is a copy of a draft policy on Enforcement of Residential Requirement – which will be submitted for review by the Government Operations Committee later this month. Also on the each desk is a copy of the new position for Commissioner of Public Works Division.

County Attorney’s Remarks

The appeal filed on behalf of the Unity Council, challenging the BIA ruling of Clint Halftown as the leader of Cayuga Nation, was denied. A motion by Mr. Halftown has been filed seeking the eviction of members of the Unity Council from property owned by Cayuga Nation. The case will be heard in Seneca County Supreme Court later this month. County Attorney Fisher expressed concern about the reaction of the Unity Council members if the court rules in favor of Mr. Halftown; recalling the confrontation between the two factions a few years ago. Sheriff Luce acknowledged the concern and will seek other law enforcement assistance if necessary.
