Larraine Mahoney, resident, Seneca County – Trash Train: Ms. Mahoney spoke in opposition to the proposal of bringing trash to the landfill by train. She thanked the Board of Supervisors for taking initiative to stand against this proposal. She suggested that support be obtained from other elected officials such as Senator Nozzolio, Assembly Minority Leader Kolb and Assemblyman Palmesano.
Walter Wolverton, resident, Seneca County – Trash Train: Mr. Wolverton spoke in opposition to transporting trash by rail (trash train) as it will result in more interruption of traffic that is already a concern. Mr. Wolverton also complained about foul odor emitting from the landfill; and his concern about the possibility of an explosion hazard.

He also addressed his concern regarding why Seneca County does not mix sand with salt any longer.

Chief Jeff Case, Seneca County Fire Chiefs Association – Depot Training Center: Chief Case spoke of his concern regarding the necessity of the fire training center. This site is the current training center for 300+ firefighters, training 3500-4000 hours of training. Chief Case offered a tour of the building. Supervisor Kronenwetter asked if the county currently leases the building, Chief Case responded no, the county only occupies the building. Supervisor Churchill asked if it is used by outside entities as well, Chief Case responded that yes it is also used by the state to train the trainers. It is also occasionally opened up to other counties if a class is not full. Supervisor Shipley asked what would be the “plan B” if the county does not keep this building, Chief Case responded that there isn’t one, that a contract with another county would be a solution, but at a cost. Supervisor Wadhams asked what number of training hours is required; Chief Case responded that a new firefighter must go through 104 hours of training to begin as a firefighter. Chairman Westfall asked Chief Case to leave his contact information for the Supervisors.

Diane Potter – White Deer: Ms. Potter spoke of her intent to continue seeking lawful protection of the white deer; and asked that the Board of Supervisors continue to protect the white deer population. Michael Shores, member of the Waterloo School Board and resident of the town of Waterloo – Heroin Problem throughout the Region: Mr. Shores spoke of the heroin epidemic, stating that we do have great people in the county doing great work, but that more needs to be done. Suggested that perhaps there needs to be more resources made available or a subcommittee on heroin prevention created.

Sheriff Luce addressed the Board of Supervisors. Sheriff stated that this is a region wide problem. Currently Seneca County has a one man narcotics unit – Officer Tim Thompson. Last year Officer Thompson opened 105 cases, making 50 arrests – all felonies. Sheriff said that we could hire more and possibly make more arrests and that this epidemic is not going away any time soon.
Supervisor Churchill asked if there were any resources or support available from the state – Sheriff responded that there is no money, resources or assistance available from the state at this time.

Supervisor Kronenwetter spoke of his knowledge of Partnerships for Ontario County, a program involving in school counseling.

WHEREAS, this resolution has been approved by the Environmental Affairs Committee of the Board of Supervisors; now, therefore, be it

Page 4 of 14

RESOLVED, that Seneca County will seek the support of our Finger Lakes neighbors and request that they join us in the effort of protecting our region from the influx of ever increasing amounts of garbage. Seneca County invites the City and Town of Geneva, Ontario County, Cayuga County and the City of Auburn to join forces with us in the effort to stop the shipment of NYC Garbage by Rail to Seneca County and Finger Lakes; and be it further

RESOLVED, that this Resolution be communicated to Governor Cuomo, NYS DEC Acting Commissioner Basil Segos, Ontario County BOS, Cayuga County BOS, City of Geneva, City of Auburn and our state representatives.

Under discussion of Resolution No. 02-16 and prior to its adoption, Supervisor McGreevy stated he would vote against the resolution if the services of attorney Doug Zamelis were used to assist Knauf Shaw, because Mr. Zamelis was represented the Casino Free Tyre group against the Town of Tyre. Supervisor Shipley made a motion to amend the resolution, second by Supervisor Davidson, by inserting language that specifically states that the services of Douglas H. Zamelis, Esq. would not be retained by the county or by Knauf & Shaw. The motion carried by a unanimous vote to include such language.

Supervisor Churchill made a motion to amend the resolution by inserting the following text:

“...the costs of such retainer not to exceed $10,000.....RESOLVED, that Seneca County will seek the support of our Finger Lakes neighbors and request that they join us in the effort of protecting our region from the influx of ever increasing amounts of garbage. Seneca County invites the City and Town of Geneva, Ontario County, Cayuga County and the City of Auburn to join forces with us in the effort to stop the shipment of NYC Garbage by Rail to Seneca County and Finger Lakes....

“RESOLVED, that this Resolution be communicated to Governor Cuomo, NYS DEC Acting Commissioner Basil Segos, Ontario County BOS, Cayuga County BOS, City of Geneva, City of Auburn and our State Representatives.”

The motion was carried by 506 ayes (Garlick Lorenzetti, Davidson, Kaiser, Churchill, Kronenwetter, McGreevy, Shipley, Westfall and Trout) and 244 nays (Reynolds, Wadhams, Lazzaro and Hayssen).
Discussion continued with concerns about the actual work that was expected from Knauf Shaw – whether the resolution was asking them to simply write a letter to New York City objection to the proposed contract or was it asking for more. County Attorney Fisher stated that the resolution is asking for the contract to be reviewed and for recommendations from Knauf Shaw on how we could fight the expansion of the landfill and/or its continuation for another thirty years.

Supervisor Kaiser offered a motion, second by Supervisor Wadhams, to lay the resolution on the table. The motion failed by 228 ayes (Reynolds, Wadhams, Prouty, Kaiser and Hayssen) and 522 nays (Garlick Lorenzetti, Davidson, Churchill, Lazzaro, Kronenwetter, McGreevy, Shipley, Westfall and Trout).
