Informational Tables, Blood Pressure Screenings, and more!

Taking Care of You: Wellness & Caregiving

An overview of caregiving and wellness with a demonstration of easy techniques to implement right away!

Keynote: Creating a New Language

What many caregivers see as problematic behaviors, actually become a way of communicating for someone living with dementia. By utilizing the tools and strategies shared, we can create a new language with our loved ones that supports continued connections and meaningful moments.

Lunch Provided and Raffle Winner Drawn
