Chelsea Hastings, Library Director, Interlaken Public Library requested 2019 county funding for the five libraries in Seneca County.

Randy Shepard, Partner, The Bonadio Group, updated the Board of Supervisors on the audit. Bank Reconciliations for the general fund have been completed through May 2017. Trust & Agency reconciliations will have to be reviewed as far back as January 2017. Grant reconciliations have been completed for the Sheriff’s Office, Emergency Management Services, Mental Health, OFA, Workforce, Public Defender, Weatherization, and the Airport. The 2017 county annual update document needs to be resubmitted to NYS. Financial activity for 2018 still needs to be reconciled.

He expressed concern regarding speed bumps on Yellow Tavern Rd, and installed culvert pipes on Town Line Rd. He also expressed support for the Cancer bill for volunteer fire fighters and first responders, and urged support by the Board of Supervisors, as the bill goes into effect January 2019 however it is unclear how the premiums will be financed.

Mary Anne Kowalski, resident, Romulus, expressed opposition to the recent increase in the rates for Water 1 users, specifically the lack of justification to increase the water rate based on the Water District budget which does not indicate a need to increase the rates; and due to the fact the Bonadio has yet to reconcile the Water and Sewer accounts.

The meeting minutes for the August 21, 2018 special meeting and August 28, 2018 special meeting of the Board of Supervisors were approved as printed.

Reports of Standing Committees

Health & Human Services Committee – Sprvr. McGreevy, Chairman – In addition to the many resolution on tonight’s agenda, the Committee met earlier tonight to approve a resolution authorizing a contract with Lifecare Medical Associates to provide services at a rate of $250 per hour for the Public Health Tuberculosis Control Program. A copy of this resolution was laid on each of your desks by our board clerk.

Human Resources & Government Operations Committee – Sprvr. Davidson, Chairman. - At the Committee meeting the, we approved the tentative agreement reached between the County and the Seneca County Sheriff Employees Association (SCSEA) and the tentative agreement with Civil Service Employee Association (CSEA). Both agreements are effective January 1, 2019 through December 31, 2021. We approved joining with the Greater Tompkins County Municipal Heath Insurance Consortium (GTCMHIC) to administer our health insurance plan and increasing the grade and step for Greg Pellicano, our Risk Manager who will be taking on additional responsibility with our joining the Tompkins Health Consortium. Resolutions for these actions were adopted by the Board of Supervisors at a special board meeting on that same night.

On tonight’s meeting agenda, we recommended adoption of a resolution setting the October board meeting at the Three Bears courthouse in Ovid; a resolution to authorize a plaque to be displayed in the Heroes Conference honoring county employees who volunteered in in rescue and recovery operations for the September 11, 2001 disaster; a resolution introducing a local law that will amend local law 2 of 2004 and place the position of Director of Emergency Management under the authority of the Board of Supervisors; a resolution to approve the consolidation of the Town of Ovid and the Village of Ovid Vital Statistics Registration Districts into one District under the Town's registration number (Vital Registration District 4954).

The single item not on the agenda since it doesn’t need a board resolution is we approved refilling the vacancy of Confidential Secretary to the County Manager and refill any vacancy that may occur due to filling the Confidential Secretary position.

Economic Development & Tourism Committee – Sprvr. Kaiser, Chairman. - The committee approved the appointment of Menzo Case as a member of the Seneca County Industrial Development Agency (IDA) Board of Directors. This was referred to the Board of Supervisors and a resolution was
adopted the same night; we referred a resolution to the Board for tonight to appropriate $10,000 for Seneca White Deer with Occupancy Tax funding; we approved refilling the vacant position of Building Maintenance Mechanic PT at the Finger Lakes Regional Airport.

Earlier this evening we met and approved the resolution designating Seneca County Chamber as the County Tourism Promotion Agency, AND to commit matching funds to the program. This is included on our agenda for tonight.

Indian Affairs Committee – Sprvr. Hayssen, Chairman. Vehicles have been seen in Seneca Falls with the markings indicating they belong to a police force for Cayuga Nation. The license plates on the vehicles are issued by the federal government. Seneca County maintains that because the status of sovereignty for Cayuga Nation has yet to be established, this police force has no jurisdiction anywhere in Seneca County.

Agriculture & Environmental Affairs Committee – Sprvr. Kronenwetter, Chairman - The Agriculture & Environmental Affairs Committee approved a resolution on the agenda to appropriate $5,000 from Tourism to fund Cayuga Lakes Intermunicipal Watershed Association; and we approved a resolution to pay annual dues of $900 to the Association for membership dues by Seneca County

Public Works Committee – Sprvr. Trout, Chairman – In addition to the several resolutions on tonight’s agenda referred by the Committee, we met earlier tonight and approved Bouley Associates located in Auburn NY to perform the repair and renovation work on the sidewalks and porches at the Three Bears for $157,000 and additional charges from John Snyder Architect in the total of $2,550.

Ways & Means Committee – Sprvr. Reynolds, Chairman - In addition to the resolutions approved by the Ways & Means Committee that are on tonight’s agenda, the Committee met last week for interviews for the position of Finance Director; We made a recommendation to appoint a qualified candidate. I understand that will come later this evening; we also approved refilling the position for Fiscal Services Manager and any other vacancy that may result in filling the vacancy.

Report of Special Committees

Seneca County IDA – Sprvr. Trout. Mr. Aronson reached out to businesses that were affected by the recent flooding in the south end of the county. Sunset on Seneca Campgrounds, located on Lodi Point., was completely washed out by the flood. A feasibility study is being done to see if they can rebuild. The IDA contracts with a professional engineer for services.

Update on Solar Projects – local assessors are unsure how to assess solar developments at this point in time. The IDA is working with local assessors using NYSERDA guidelines, which suggests establishing a PILOT based on a fixed amount per megawatt.
The IDA Application for financial assistance for solar project development, will require applicants to submit a deposit of $5,000 to serve as a retainer for legal counsel, and that once the $5,000 is drawn down the developer will have to replenish the retainer. He noted when a project doesn’t go forward; the agency is left paying the legal fees that would otherwise be collected from the applicant at closing.

Chairman’s Remarks

Today has been a challenging day especially in southern Seneca County, in the Towns of Lodi, Ovid & Covert. Tonight we pause to thank the many Seneca County works, Sheriff’s Office and local law enforcement, first responders, NYS and town highway departments and other resource groups throughout the region who responded quickly today to perform rescues, evacuations and set up shelters for the many affected citizens of our county.

I want to recognize Governor Cuomo’s staff, especially Jessica and Kaleigh, who started calling before 7:00 a.m. today to offer State assistance and coordinate the timely visit to the affected areas of Seneca and Broome counties by Governor Cuomo early this morning so he could personally determine our needs and his issuance of a NYS of Emergency, which includes National Guard deployment along with support vehicles and flood response equipment to our area.

We will continue to monitor the situation, repair and re-open roads, bridges and culverts damage by this disaster as soon as possible. Most importantly, considering the severity of this extreme weather event we are most grateful that Seneca County did not have any loss of life.

County Manager’s Remarks

Acting County Manager Mitch Rowe met with department heads regarding the preparation for the 2019 budget. Request for funding are due to the county manager at the end of the week. Moving forward, he will review the requests from the departments and then budget workshops will need to be scheduled.

Regarding the flood disaster, local and state officials have met and begun the process of relief and recovery accounting; the damage has crossed the threshold of county reimbursement. CM Rowe said County Fire Coordinator Jeff Case reported that clean-up has begun but there remains a lot still to be done.

Motion for Outside and Independent Investigation:

Sprvr. Garlick Lorenzetti offered a motion, seconded by Sprvr. Lazzaro, for a board resolution authorizing an outside and independent investigation, due to the facts brought forth by The Bonadio Group regarding the county’s financial condition; and the mismanagement and misleadership that has led Seneca County down a path what may well cost over $100,000 in expense for the extended audit, the need to hire a financial consultant, Nicholas Sciotti, and the cost of overtime required by the finance department staff in assisting in the audit; to make sure there was no wrong doing that took place by the leadership at that time.

Sprvr. Kaiser said for a year and half concerns were consistently brought forth by county employees; water and sewer users have been complaining about inaccuracies on bills; some employees allege they were directed not to go to supervisors with complaints or their employment could be jeopardized.

Chairman Shipley said the motion should be reviewed by the appropriate standing committee first.
