Reports of Standing Committees

Health & Human Services Committee – Sprvr. McGreevy, Chairman. The Committee approved several resolutions for tonight. For the Office for the Aging there is a resolution authorizing the Chairman to sign the annual update to their four year plan.

For the Division of Human Services there is a resolution for an agreement with Finger Lakes Community College for the Employee Education and Training Program and Education Coordinator Services. This agreement also funds the EAP program. The cost of the agreement will not exceed $70,904.00.

For Mental Health Services there is a resolution to create a position for a part-time driver to ensure adequate coverage. The position will be funded through state reinvestment funds available in the 2019 Mental Health Department budget.
For Public Health there is a resolution to seek bids for transportation services for the EI Program and the Preschool Program. The contract will coincide with the 2019-2020 school year.

There is also a proclamation resolution for Public Health, recognizing December 2-8 as National Influence Vaccination Week and encouraging people to get their flu shot.

Human Resources & Government Operations Committee – Sprvr. Garlick Lorenzetti, Vice-Chair. The Human Resources and Government Operations Committee approved two items on tonight's agenda. One is introducing a local law establishing salaries for certain county officials for 2019. These would be those officials who are currently mid-term in their position. The Public Hearing is set for December 11.

The other resolution is adopting a revised Sexual Harassment Policy. On October 1, 2018 NYS enacted a Sexual Harassment Prevention Policy regulation mandating that every employer throughout the State of New York adopt a model policy. Labor Counsel Roemer Wallens Gold & Mineaux has provided Seneca County with a policy that meets all requirements of the final Rules issued by the State of New York.

Economic Development & Tourism Committee – Sprvr. Kaiser, Chairman. The At-Large Member has resigned from the Seneca County Planning Board. Charles T. Brady, a resident of the Bonnie Banks area of the town of Fayette has been recommended by the Fayette Town Board to fill the remainder of the term. Mr. Brady graduated from Clarkson University in 1971, and has served many New York State businesses in the areas of production and manufacturing engineering and in lean operations management both domestically and internationally. The committee approved a resolution for tonight appointing Mr. Brady as the At-large member on the Planning Board.

Indian Affairs Committee – Sprvr. Hayssen, Chairman. Petition Supporting Law Enforcement Services Provided by Cayuga Nation: Cayuga Nation is circulating a petition in support of its security force and offering free law enforcement services to Seneca County citizens; and to urge elected officials to support this service to its constituents. NYS SAFE Act issues permits allowing for open carry in NYS.

UnderSheriff Cleere was contacted by someone identified with the surname Lincoln who is employed as a law officer by Cayuga Nation. An email sent by Mr. Lincoln described the CN law enforcement as more of 'armed security' vs. police force'. NYS CPL 1430 allows for citizen arrests - usually a situation when the parties wait for the police to be on scene. License Plates Issued to CN - still no response from anyone as to why federal license plates are issued to CN security vehicles.

Public Safety & Criminal Justice Committee – Sprvr. Brownell, Chairman. Tonight the board will consider a resolution approved by the Public Safety Committee to accept $411,692 in grant funding through the 2018 Statewide Interoperable Communications Grant Program. The purpose of this grant is to
upgrade Seneca County's radio communication capabilities. There is no local match required for this grant.

Public Works Committee – Sprvr. Trout, Chairman. In addition to the resolutions on the agenda the Committee discussed the Facility Master Plan and how the location designated for the offices of Mental Health Services will no longer be sufficient. There will be a meeting on Saturday, November 10 to discuss the master plan and what changes will need to be made.

Ways & Means Committee – Sprvr. Reynolds, Chairman. For tonight's meeting, the Ways & Means Committee approved the resolution that will amend the 2018 budget involving various account lines and departments. The tentative budget for 2019 was filed on November 7 and we have a resolution on the agenda tonight to schedule a public hearing for the 2019 budget for the December 11th board meeting. The committee will be meeting tonight after the board meeting to review the tentative budget. We also scheduled a budget workshop for the committee meeting night on November 27.

the event that the Compliance Officer is the subject of the complaint, complaints must be made to County
Attorney. Seneca County will conduct a prompt, thorough and confidential investigation that ensures due
process for all parties, whenever Seneca County or its supervisory or managerial personnel receives a
complaint about sexual harassment or retaliation, or otherwise knows of possible sexual harassment
occurring. Seneca County will keep the investigation confidential to the extent possible. Effective
corrective action will be taken whenever sexual harassment or retaliation is found to have occurred. All
persons covered by this Policy, including managers and supervisors, are required to cooperate with any
internal investigation of sexual harassment.

All employees, interns, volunteers, and non-employees are to report any harassment or behaviors that
violate this Policy. Seneca County will provide a complaint form for the reporting of harassment and to
file complaints. Managers and supervisors are required to report any complaint that they receive, or any

¹ Note that other forms of discrimination, as well as harassment based on protected classes or characteristics other
than those covered under this policy are covered separately under Seneca County’s Discrimination and
Discriminatory Harassment Policy.
harassment that they observe or become aware of in the workplace. Such reporting must be in written form to the Compliance Officer. Confronting the harasser is not required but is encouraged if the complainant feels it is possible and safe to do so. Anyone covered by this Policy has the right to file a good faith complaint without first communicating with the offender.

II. SCOPE

A. Who is covered by this Policy? This Policy applies to all employees, applicants for employment, interns, whether paid or unpaid, volunteers, non-employees and persons conducting business with Seneca County.  

B. Who can be a target of sexual harassment? Sexual harassment can occur between any individuals, regardless of their sex or gender. New York Law protects employees, paid or unpaid interns, and non-employees who provide services in the workplace. This Policy also protects volunteers of the Seneca County.  

C. Who can be a sexual harasser: A harasser can be a superior, a subordinate, a coworker or anyone in the workplace including an independent contractor, contract worker, vendor, client, customer or visitor, or anyone with whom the person interacts while conducting their job duties.  

D. Where can sexual harassment occur? Unlawful sexual harassment is not limited to the physical workplace itself. It can occur while employees, interns and/or volunteers are traveling for business or at employer sponsored events or parties. Calls, texts, emails, and social media usage can constitute or contribute to unlawful workplace harassment, even if occurring away from the workplace premises or not during work hours.  

III. DEFINITIONS OF PROHIBITED CONDUCT

A. What is sexual harassment?  

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, self-identified or perceived sex or gender, sexual orientation, gender identity, gender expression or transgender status. Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual’s sex when:  

• Such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile or offensive work environment, even if the complaining individual is not the intended target of the sexual harassment;  

---

2 Non-employees, as defined by law, include contractors, vendors and consultants or those who are employees of the contractor, vendor or consultant.
• Such conduct is made either explicitly or implicitly a term or condition of employment; or
• Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual’s employment.

A sexually harassing hostile work environment consists of words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual’s sex, self-identified or perceived sex or gender, sexual orientation, gender identity, gender expression or transgender status. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, and/or which interfere with the recipient’s job performance.

Sexual harassment also occurs when a person in authority tries to offer job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions or privileges of employment. This is also called “quid pro quo” harassment.

Anyone subject to and/or covered by this Policy who feels harassed should complain so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

B. Examples of sexual harassment

Sexual harassment under the law and prohibited by this Policy may include, but is not limited to, the following prohibited conduct:

• Physical assaults of a sexual nature, such as:
  • Touching, pinching, patting, grabbing, brushing against another person’s body or poking another person’s body; rape, sexual battery, molestation or attempts to commit these assaults (which should be reported to local authorities as promptly as is possible).

• Unwanted sexual advances or propositions, such as:

• Requests for sexual favors accompanied by implied or overt threats concerning the target’s job performance evaluation, a promotion or other employment benefits or detriments; subtle or obvious pressure for unwelcome sexual activities.

• Sexually oriented gestures, noises, remarks, jokes or comments about a person’s sexuality or sexual experience, which create a hostile work environment.

• Sex stereotyping, which occurs when conduct or personality traits are considered inappropriate or treated negatively simply because they may not conform to other people’s ideas or perceptions about how individuals of a particular sex should look or act.

Meeting Minutes  
November 13, 2018

- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
  - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace or in a work-related gathering or setting.
- Hostile actions taken against an individual because of that individual’s sex, self-identified or perceived sex or gender, sexual orientation, gender identity, gender expression or transgender status, such as:
  - Interfering with, destroying or damaging a person’s workstation, tools or equipment, or otherwise interfering with the individual’s ability to perform the job;
  - Sabotaging an individual’s work;
  - Bullying, yelling, name-calling.

C. Retaliation

In addition to sexual harassment, retaliation for opposing or complaining of sexual harassment or participating in investigations of sexual harassment is prohibited by law and prohibited under this Policy. No person covered by this Policy shall be subjected to such unlawful retaliation. Unlawful retaliation can be any adverse employment action, including being discharged, disciplined, discriminated against, or any action that would keep or discourage anyone covered by this Policy from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation.

The New York State Human Rights Law and this Policy protect any individual who has engaged in “protected activity.” Protected activity occurs when a person has:
- Made a complaint of sexual harassment, either internally or with any anti-discrimination agency;
- testified or assisted in a proceeding involving sexual harassment under this Policy, the State Human Rights Law or other anti-discrimination law;
- Opposed sexual harassment by making a verbal or informal complaint to Seneca County (including a supervisor or manager) or by simply informing a supervisor or manager of harassment;
- Reported that another employee, intern, volunteer or non-employee covered by this Policy has been sexually harassed; or
Encouraged a fellow employee, intern, volunteer and/or non-employee covered by this Policy to report harassment.

Employees, interns, volunteers, and non-employees who believe they have been subjected to retaliation should report this conduct in accordance with the same reporting procedures as are outlined below. These complaints of retaliation will be investigated in accordance with the same procedures utilized to investigate a complaint of sexual harassment. Individuals also may file complaints of retaliation with the federal or state enforcement agencies (EEOC or New York State Division of Human Rights.) Any individual found to have engaged in retaliation as defined in this Policy may be subject to disciplinary action up to and including termination, and/or other corrective or remedial action as necessary.

REPORTING PROCEDURES AND RESPONSIBILITIES

A. Reporting Procedures

Preventing sexual harassment is everyone’s responsibility. Seneca County cannot prevent or remedy sexual harassment unless it knows about it. Any employee, intern, volunteer or non-employee who has been subjected to behavior that may constitute sexual harassment is strongly encouraged to report such behavior to the Compliance Officer set forth below. Anyone who witnesses or becomes aware of potential or perceived instances of sexual harassment should also report such behavior to the Compliance Officer.

- Compliance Officer: Personnel Officer
- In the event that the Compliance Officer is the subject of the complaint, complaints are to be made to County Attorney

Although encouraged, note that neither this Policy nor state or federal law requires that an individual tell an alleged harasser to stop his/her actions. Failure to do so does not preclude the individual from filing a complaint of sexual harassment. Individuals should feel free to keep written records of any actions which may constitute sexual harassment, including time, date, location, names of others involved, witnesses (if any), and who said or did what to whom.

Reports of sexual harassment may be made verbally or in writing. If made verbally, the Complaint must be reduced to writing by the individual who it was reported to. The written report must be given to the Compliance Officer. A form for submission of a written complaint is attached to this Policy, and all employees, interns, volunteers, and non-employees conducting business in the workplace are encouraged to use this complaint form. Individuals who are reporting sexual harassment on behalf of other employees, interns, volunteers or non-employees should use the complaint form and note that it is on another person’s behalf.
Employees, interns, volunteers or non-employees who believe they have been a target of sexual harassment may also seek assistance in other available forums, as explained below in the section on Legal Protections.

B. Supervisory Responsibilities

All managerial and supervisory personnel of Seneca County shall be responsible for enforcing this Policy and shall have particular responsibility for ensuring that the work environment under their supervision is free from sexual harassment and retaliation. In addition to being subject to discipline or other remedial action if they engaged in sexually harassing conduct themselves, all supervisors and managers who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing behavior or for any reason suspect that sexual harassment is occurring, are required to report same in writing, to the Compliance Officer. Supervisors and managers will be subject to discipline (or other remedial and appropriate action) for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue. Supervisors and managers will also be subject to discipline or other appropriate remedial action for engaging in retaliation.

C. Seneca County’s Responsibilities

Seneca County will be responsible for ensuring that this Policy is provided to employees, interns, and volunteers, and that training on this Sexual Harassment Prevention Policy is conducted annually.

IV. INVESTIGATION AND RESPONSE PROCEDURES

All complaints or information about suspected sexual harassment will be investigated, whether that information was reported in verbal or written form. Investigations will be conducted in a timely manner and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commencing immediately and completed as soon as possible. The investigation will be confidential to the extent possible. All persons involved, including complainants, witnesses and alleged harassers will be accorded appropriate due process to protect their rights to a fair and impartial investigation.

Any employee, volunteer, intern or non-employee may be required to cooperate as needed in an investigation of suspected sexual harassment. As further set forth herein, Seneca County will not tolerate retaliation against those who file complaints, support another’s complaint, or participate in the investigation of a complaint.
All investigations will be conducted by the Compliance Officer or their designee. The nature of an investigation may vary on a case by case basis dependent upon the circumstances and extent of the allegations. Generally, investigations should be conducted by the Compliance Officer or their designee in accordance with the following steps:

- Upon receipt of complaint, the Compliance Officer or their designee will conduct an immediate review of the allegations, and take interim actions, as appropriate. If the complaint is oral, encourage the individual to complete the “Complaint Form” in writing. If he or she refuses, prepare a Complaint Form or other write up of the complaint based on the oral reporting.

- If documents, emails or phone records are relevant to the allegations, take steps to obtain and preserve them.

- Request and review all relevant documents, including all electronic communications.

- Interview all parties involved, including any relevant witnesses;

- Create (at a minimum) written documentation of the investigation (such as a letter, memo or email), which contains the following:
  - A list of all documents reviewed, along with a detailed summary of relevant documents;
  - A list of names of those interviewed, along with a detailed summary of their statements;
  - A timeline of events;
  - A summary of prior relevant incidents, reported or unreported; and
  - Recommendation(s) for the final resolution of the complaint, together with any recommendations for corrective or remedial actions to be taken.

- Keep the written documentation and associated documents in the employer’s records.

- Once the investigation is completed, the Compliance Officer or County Attorney or their designee will make a Final Determination as to whether the Policy has been violated.

The Compliance Officer or County Attorney or their designee shall promptly notify the complainant of the Final Determination, and also inform the complainant of their right to file a complaint or charge externally as outlined below.3

---

3 Where a complaint was filed regarding sexual harassment against an individual other than the person making the written complaint, the person against whom the harassment was directed will be treated as the complainant for purposes of this Policy.
If a complaint of sexual harassment or retaliation is determined to be founded, Seneca County may take disciplinary and/or corrective action. The Compliance Officer will be responsible for overseeing the implementing of any corrective or remedial actions deemed necessary.

V. REIMBURSEMENT

Any employee who has been subject to a judgement of personal liability for intentional wrongdoing in connection with a claim for sexual harassment shall reimburse the Seneca County for any monies it paid to a complainant for what was found to be the employee’s proportionate share of said judgement. These reimbursements must be made within ninety (90) days from payment by the Seneca County to the Complainant. A failure to reimburse will result in the sum being withheld directly from the employee’s compensation or through enforcement of a money judgement.

VI. FURTHER CONFIDENTIALITY AND DISCLOSURE

In recognition of the personal nature of discrimination complaints and the emotional impact of alleged discrimination, the Seneca County shall keep complaints as confidential as is consistent with a thorough investigation, applicable collective bargaining agreements, and other laws and regulations regarding employees and the workplace setting. For the protection of all individuals who make complaints or are accused of prohibited discrimination, every witness interviewed during an investigation under this Policy will be advised of the confidentiality requirement and instructed not to discuss the complaint, the investigation, or the persons involved. To the extent complaints made under this Policy implicate criminal conduct, the Seneca County may be required by law to contact and cooperate with the appropriate law enforcement authorities.

The terms of any settlement or other resolution are subject to disclosure UNLESS the Complainant seeks confidentiality. This request for confidentiality may be revoked within a certain time period in accordance with State law.

VII. FALSE REPORTS

Reporting of a false complaint is a serious act. In the event it is found that an individual bringing the complaint has knowingly made false allegations, the Seneca County may take appropriate remedial action and/or disciplinary action in accordance with the provisions of applicable collective bargaining agreement and/or state law.

LEGAL PROTECTIONS AND EXTERNAL REMEDIES

Sexual harassment is not only prohibited by Seneca County but is also prohibited by state, federal, and, where applicable, local law.
Aside from the internal process at Seneca County, individuals may also choose to pursue legal remedies with the following governmental entities **at any time**.

A. **New York State Division of Human Rights (DHR)**

The Human Rights Law (HRL), codified as N.Y. Executive Law, Art. 15, § 290 et seq., applies to employers in New York State with regard to sexual harassment, and protects employees, interns and non-employees. A complaint alleging violation of the Human Rights Law may be filed either with Division of Human Rights or in New York State Supreme Court. Complaints with DHR may be filed any time **within one year** of the harassment. If an individual did not file at DHR, they can sue directly in state court under the HRL, **within three years** of the alleged discrimination. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to Seneca County does not extend the time for filing a complaint with DHR or in court. The one year or three years is counted from date of the most recent incident of harassment.

An individual does not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate the complaint and determine whether there is probable cause to believe that discrimination has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If discrimination is found after a hearing, DHR has the power to award relief, which varies but may include requiring the employer to act to stop the harassment, or redress the damage caused, including paying monetary damages, attorney’s fees and civil fines.

Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR’s regional offices across New York State.

B. **United States Equal Employment Opportunity Commission (EEOC)**

The EEOC enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 U.S.C. § 2000e et seq.). An individual can file a complaint with the EEOC anytime within **300 days** from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court.

The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred.
If an individual believes that he/she has been discriminated against at work, he/she can file a “Charge of Discrimination.” The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (1-800-669-6820 (TTY)), visiting their website at www.eeoc.gov or via email at info@eeoc.gov

If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

C. Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

D. Contact the Local Police Department

If the harassment involves physical touching, coerced physical confinement or coerced sex acts, the conduct may constitute a crime. Contact the local police department.
