Sprvr. Davidson moved the public hearing open to receive public comment. No comments were heard or received. Sprvr. Davidson moved the public hearing closed.

b) The Tentative Budget of Seneca County for the fiscal year beginning January 1, 2019. The maximum amount of compensation that may be fixed and payable for said fiscal year to each member of the Board of Supervisors of said County and to the Chairman thereof is a follows: 13 members - $13,395.00 each, Chairman - $17,216.00.

Sprvr. Brownell moved the public hearing open to receive public comment.

Mary Anne Kowalski, resident, Romulus, stated that it was difficult for her to comment on the Tentative Budget as she has no idea of income and expenses for 2017 and 2018 year to date, including bond and fund balances. She urged the Board of Supervisors to obtain all the financial information before they vote on the 2019 budget. Sprvr. Kaiser agreed with Mrs. Kowalski’s comment. Acting County Manager Rowe said the audit for 2018 was completed by Bonadio; he and Finance Director Stevens are confident with the financial information and the tentative budget is ready for adoption. There will be budget amendments for 2017 that may come before the Board in the next couple of weeks.

Presentations
Finger Lakes Regional Land Bank 2018 Annual Report – Joe McGrath, CEO & President. This year the land bank acquired ten properties. Three were obtained from the 2017 tax foreclosure list and five from the 2018 tax foreclosure list. Two properties were purchased from private owners. Five demolitions were completed; three stabilizations; and two properties were sold on the open market. Future projects for the land bank include eight demos; two rehabs, with grant funding for $650,000 from Enterprise Community Partners Inc.

Open Privilege of the Floor

Mary Anne Kowalski, resident, Romulus expressed opposition to the “expensive, unnecessary and misguided proposal to “centralize” the two County Sewer Districts in southern Seneca County, at an estimated cost of $24 million.” Contemplating a change of treatment method would delay addressing the issue of the sewer pumps which were issued deficiency reports by the DEC when Mrs. Kowalski was in charge of the Water and Sewer Department. The DEC said the pumps were at a risk for failing. There is no corrective action plan right now and if the pumps fail, all the sewage from the Fayette Town Line and Ovid will discharge at Willard.

Sprvr. Kaiser said, for the record, that before the Water and Sewer Advisory Boards were dismantled in 2009, the Advisory Board directors included the screw pumps in their ten year plan. They were supposed to be addressed; apparently they were not.

Sprvr. Hayssen questioned the balance of the bond for water and sewer. Finance Director Stevens stated that the original bond for Water 1 and Sewer 1 was $2,23 million. Current balance is $886,400 (Water 1 - $231,000; Sewer 1 $655,000).

Approval of Meeting Minutes

The minutes for the November 13, 2018 board meeting were approved as presented.

Reports of Standing Committees

Health & Human Services Committee – Sprvr. McGreevy, Chairman. I would like to draw your attention to item number 44 on page 42 of the agenda. I will be introducing this resolution proclaiming January as Human trafficking Awareness Month in Seneca County and recognizing January 11, 2019 as National Human Trafficking Awareness Day. I will be reading the resolution in full when I introduce it.

Human Resources & Government Operations Committee – Sprvr. Garlick Lorenzetti, Vice-Chair. The committee approved a resolution to set the 2019 organizational meeting for January 8 at 6:00 p.m. and then the regular board meeting will follow the organizational meeting; and the Year-end board meeting will be Thursday, December 27 at 2:00 p.m. The third resolution under this committee for tonight’s meeting is to adopt a revised policy on discriminatory harassment prevention.
Economic Development & Tourism Committee – Sprvr. Kaiser, Chairman. The committee approved the creation of a Capital Project fund to include a Local Share of $73,608 to fund the design and relocation of the existing fueling system at the FLRA under the NYSDOT 2016 Aviation Capital Grant program.

Indian Affairs Committee – Sprvr. Hayssen, Chairman. Discussed who would be going to NYSAC to represent Seneca County on the Native American Affairs & Gaming Committee. Shipley is a current member but unable to attend. We plan to submit two resolutions for the NAAG committee: (1) Resolution denying the authority of the Cayuga Nation police force by Seneca County; (2) Resolution urging NYS to suspend pension of retired NYS Troopers employed by Cayuga Nation.

Public Safety & Criminal Justice Committee – Sprvr. Brownell, Chairman. The Public Safety Committee approved one resolution on the agenda for tonight which will authorize acceptance of the NYS Homeland Security & Emergency Services grant in the amount of $18,091. The grant is used to offset expenses related to the operation of the Office of Emergency Management.

Agriculture & Environmental Affairs – Sprvr. Kronenwetter, Chairman. The committee approved the appointment of Charles Sumner as Member at Large to the Seneca County Soil & Water Conservation Board and the reappointment of John Hunt as Grange Representative to the Seneca County Soil & Water Conservation Board. We also were given some information about the contamination at the depot airfield. Public Health Director Swinehart said they know about as much as everyone else. Dave Kaiser said Romulus was notified at the town level. Public Health Director Vickie Swinehart said additional testing would be done in the Spring 2019. We don’t know a lot at this point in time.

Public Works Committee – Sprvr. Trout, Chairman. Other than the resolutions on the agenda for tonight, we put on hold the acquisition of the portion of the 414 sewer owned by IDA until the inter-municipal agreements with Seneca Falls, Junius and Tyre for the 318 sewer are in place. We also approved refilling a position for Codes Enforcement Officer.

Ways & Means Committee – Sprvr. Reynolds, Chairman. The Ways and Means Committee approved several resolutions on the agenda for tonight including a resolution to adopt the 2019 County Budget and a resolution to adopt the local law for salaries for certain county officials in 2019.

Report of Special Committees

The IDA met on December 6. Most business conducted was year-end business. Contracts were renewed. Positions were appointed. NYSEG PILOT at the depot was extended for three years. A lot of promises were made by NYSEG to Earl Martin for development. If NYSEG does not follow through, we have an option of putting the property back on the tax rolls.

Chairman’s Remarks
Tonight as we conclude our last full board meeting for 2018, on behalf of the entire board of supervisors, we the thank Seneca County employees, supervisory staff and DHs and we commend you all for a job truly done well this year. We appreciate your hard work and your patience during a very difficult 2018; especially during the August flash floods and the following weeks of clean up in southern Seneca County. Truly our employees are our most valuable resource here in Seneca County.

At the October 11 board meeting in Ovid, I asked all supervisors to join in servicing causes greater than ourselves. To move SC forward together as one unified group; standing with County Manager Rowe to find common ground on issues that have previously caused division, and to work together to resolve those issues for the betterment of Seneca County.

Tonight I ask this board to focus our 2019 efforts on county water and sewer districts. This board has struggled too many years to define the problems, restructure the governance of these districts and address needed changes that will improve operations and reduce cost to our residents.

I asked County Manager Rowe to work with Public Works Commissioner Priem, and the Public Works Standing Committee to fully consider the question, “Is a county water and sewer authority the best answer?” I ask for your consideration and then your action to report and recommend the best method to the full board for action during the next legislative year of 2019.

County Manager’s Remarks

There is a resolution on tonight’s agenda that addresses motel/hotel tax funding for the Cayuga Lake and Seneca Lake watershed organizations and the Seneca White Deer – it is not technically an amendment to the tentative budget because the money is in the account, rather it specifically earmarks a portion of the motel/hotel tax to fund these agencies as discussed by Sprvr. Kronenwetter and Garlick Lorenzetti at the November 27 committee meetings.

WHEREAS, supporting these activities is appropriate and important; and
WHEREAS, the Ways and Means Committee of the Board of Supervisors recommends adoption of the budget, amended as set forth herein, together with such other and further amendments as the Board of Supervisors may approve; now, therefore be it

And, be it further

RESOLVED, that $5,000 for the Cayuga Lake Watershed Network, $5,000 for the Seneca Watershed Intermunicipal Organization and $10,000 for Seneca White Deer, Inc. be earmarked as part of the adoption of the 2019 Seneca County Budget in Account. No. 108021.54701; and be it further

RESOLVED, that pursuant to Section 269 of the County Law, said proposed budget, as changed altered, revised and amended, be and hereby is adopted as the budget for Seneca County for the year 2019; and be it further

RESOLVED, that the several amounts specified in the 2019 County Budget be and hereby are appropriated for the objects and purposes enumerated therein.

Discussion Resolution No. 286-18: Sprvr. Reynolds requested the tentative budget be amended by taking $10,000 out of the County Treasurer budget for rental space for the tax auction and put it back in the Law Department budget. Sprvr. Hayssen said he would support such amendment. Sprvr. Hochadel questioned if the amount was actually for $5,000. Acting County Manager Rowe said the notes of the Clerk of the Board indicated a request for $5,000 - $10,000, so for budget planning the maximum dollar amount was used.

Amendment to the Main Motion:

Sprvr. Reynolds offered a motion to amend the main motion, second by Sprvr. Hayssen, by removing $10,000 funding in the county treasurer budget for rental space for the tax auction; and place it back in salaries under the Law Department budget. The motion carried having received a nay vote by Sprvr. Hochadel.

Amendment to the Main Motion as Amended:

Sprvr. Kronenwetter offered a motion, second by Sprvr. Kaiser, to amend the main motion by including the following text, “WHEREAS, $45,000 in funding through the Hotel-Motel Tax is available in Account No. 108021.54701 to support tourism related activities within Seneca County; and, WHEREAS, the activities performed by Cayuga Lake Watershed Network, Seneca Watershed Intermunicipal Organization, and Seneca White Deer, strengthen Seneca County’s tourism sector and economy; and, WHEREAS, supporting these activities is appropriate and important; now, therefore be it
RESOLVED, that $5,000 for the Cayuga Lake Watershed Network, $5,000 for the Seneca Watershed Intermunicipal Organization and $10,000 for Seneca White Deer, Inc. be earmarked as part of the adoption of the 2019 Seneca County Budget in Account. No. 108021.54701.”

Sprvr. Garlick Lorenzetti said she would like to see more than $45,000 to support other tourist events in the county, citing It’s a Wonderful Life”; the Wine Country Dog Show, and Memorial Day. Sprvr. Lott agreed, questioning if $20,000, is enough for other tourism promotion. He suggested committing less (i.e. $3,000 instead of $5,000) to the watersheds and Seneca White Deer.

Acting County Manager explained that the $45,000 was ten percent of the projected revenue from the occupancy tax; which was projected at $450,000. The Board of Supervisors contracted with the Chamber as the county TPA, that the next four years the occupancy tax revenue would be distributed with 90% TPA and 10% Other tourism. To increase the ten percent in the tentative budget would require the total projected revenue to be increased. Sprvr. Hayssen said he thought it would have been better if the Board did not agree to the 90/10 distribution and the TPA should receive the same amount received last year.

BOARD OF SUPERVISORS APPROVES LEASE WITH JACK ‘N JILL CHILDCARE CENTERS, INC.

WHEREAS, acquisition and occupation of the former Bonadent building on Danaren Lane in Seneca Falls anticipated a lease of space for daycare facilities required by the New York State Gaming Commission as a condition of the license issued to the de Lago Casino in Tyre; and

WHEREAS, a lease agreement has been negotiated with Jack ‘n Jill Childcare Centers, Inc. to fulfill that requirement; and

WHEREAS, the terms of the lease are consistent with current commercial rental agreements in the area and meet the requirements of the State Gaming Commission while covering costs of the County; and

WHEREAS, this Resolution has been approved by the Board of Supervisors Public Works Standing Committee on November 27, 2018; now, therefore, be it

RESOLVED, that the County Manager is authorized and directed to execute the lease agreement for occupancy of space at the Seneca County Health & Human Services Building with Jack ‘n Jill Childcare Centers, Inc.; and be it further

RESOLVED, that the County Manager is also authorized and directed to execute documents terminating the existing lease for such space with Lago Resort and Casino, LLC., dba “ del Lago”.

CHAIRMAN OF THE BOARD AUTHORIZED TO SIGN SNOW AND ICE AGREEMENT

WHEREAS, the New York State Commissioner of Transportation and Seneca County have entered into Agreement No. D089860 entitled “Snow and Ice Agreement between the New York State Department of Transportation and Seneca County”; and

WHEREAS, the term of said Agreement is for a period of three years commencing March 11, 1975 and the said Agreement provides that the parties may, at the end of each year of the term of the Agreement, extend such term for an additional year; and

SUPERVISORS REVISE POLICY NO. 101.601 "DISCRIMINATORY HARASSMENT PREVENTION” POLICY EFFECTIVE IMMEDIATELY

WHEREAS, The State of New York enacted a Sexual Harassment Prevention Policy and mandates that every employer throughout the State of New York adopt a model policy; and

WHEREAS, The Board of Supervisors adopted a Sexual Harassment Prevention Policy at its meeting on November 13, 2018; and

WHEREAS, It is necessary to revise Seneca County Policy 101.601 Discriminatory Harassment Policy to remove sections which address sexual harassment prevention; and

WHEREAS, the Government Operations Committee has reviewed and approved this resolution at its committee meeting on November 27, 2018; therefore be it

RESOLVED, the Seneca County Board of Supervisors revises Seneca County Policy Manual, 101.601 to read as follows:

101.601 Discriminatory Harassment Policy
I. POLICY STATEMENT

It is the policy of the Seneca County to provide and maintain a work environment which is free from unlawful discrimination based on sex (with or without sexual conduct, and including gender identity, gender expression or transgender status), race, color, religion, national origin, age, disability, genetic information or predisposing genetic characteristic, marital status, familial status, military status, domestic violence victim status, and any other class protected by law. Harassment based on these protected characteristics (collectively referred to as “discriminatory harassment”) is a form of unlawful discrimination and is prohibited in each and every work environment and each and every situation which directly impacts the work environment.

Sexual harassment is covered separately under the Seneca County Sexual Harassment Prevention Policy. Refer to the Seneca County Sexual Harassment Prevention Policy 510.500, available within the Seneca County Policy Manual.

Seneca County will take appropriate steps to prevent and correct unlawful discriminatory harassment and discrimination as defined by federal, state and local law (if applicable.) This includes federal laws such as Title VII of the Civil Rights Act, the Age Discrimination in Employment Act, the Americans with Disabilities Act and the Genetic Information Non-Discrimination Act, as well as the New York State Human Rights Law.

Seneca County considers discrimination, discriminatory harassment and other conduct prohibited by this Policy to be a form of employee misconduct and considers this type of misconduct to be a serious offense which will not be tolerated. Allegations of discrimination and discriminatory harassment will be investigated thoroughly and if substantiated, will be met with appropriate corrective and/or disciplinary action commensurate with the seriousness of the offense(s), and in accordance with the parameters of applicable collective bargaining agreements and/or state law.

Retaliation against any individual making a discrimination or harassment complaint or assisting in the investigation of such a complaint is forbidden. Retaliation is a serious violation of this policy which may result in disciplinary action.

II. SCOPE

A. Who is covered by this Policy? This policy applies to all applicants, employees, interns (paid or unpaid), volunteers, contractors, and other non-employees conducting business with the Seneca County.

B. What does this Policy prohibit? This policy prohibits discriminatory harassment, discrimination and retaliation whether engaged in by fellow employees, by a supervisor or manager or by someone not directly connected to the Seneca County (e.g., an outside vendor, consultant, other non-employee or citizen).

C. Where can discrimination or discriminatory harassment occur? Conduct prohibited by this Policy is unacceptable in the workplace and in any work-related setting outside the workplace, such as during business trips, business meetings, and business-related social events.

D. All information gathered during an investigation of a complaint will be handled in a confidential manner, to the extent possible.
E. This Policy does not preclude the filing of discrimination, discriminatory harassment or retaliation complaints with the New York State Division of Human Rights (DHR), the Federal Equal Employment Opportunity Commission (EEOC), or the pursuing of any other remedies as permitted by law.

III. DEFINITIONS OF PROHIBITED CONDUCT

A. **Discrimination**

Discrimination on the basis of any protected characteristic is prohibited. Discrimination includes any adverse employment action (termination, failure to hire, demotion, failure to promote, etc.) taken on the basis of sex (with or without sexual conduct, and including gender identity, gender expression or transgender status), race, color, religion, national origin, age, disability, genetic information or predisposing genetic characteristic, marital status, familial status, military status, domestic violence victim status, and any other class protected by law.

B. **Discriminatory Harassment**

Harassment on the basis of any protected characteristic is prohibited. Under this policy, prohibited discriminatory harassment is verbal or physical conduct that is offensive to or shows hostility or aversion toward an individual because of a protected class or characteristic, and that: (I) has the purpose or effect of creating an intimidating, hostile or offensive work environment; (ii) has the purpose or effect of unreasonably interfering with an individual’s work performance; or (iii) otherwise adversely affects an individual’s employment opportunities.

NOTE: Sexual harassment, including harassment on the basis of sex (including gender identity or transgender status) and sexual orientation is covered separately under the Seneca County Sexual Harassment Prevention Policy.

Harassing conduct includes, but is not limited to: epithets, slurs or negative stereotyping; threatening, intimidating or hostile acts; denigrating jokes and display or circulation in the workplace (including through e-mail) of written or graphic material that denigrates or shows hostility or aversion toward an individual or group, based on an individual’s protected class.

C. **Retaliation**

Retaliation against any individual for making a discriminatory or any harassment complaint or assisting in the investigation of such a complaint is prohibited by law and under this Policy. Unlawful retaliation can be any adverse employment action, including being discharged, disciplined, discriminated against, or any action that would keep or discourage anyone covered by this Policy from coming forward to make or support a claim of discrimination or discriminatory harassment. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation.

Any employee, intern, volunteer, and non-employee who believe they have been subjected to retaliation should report this conduct in accordance with the same reporting procedures as are outlined below. These complaints of retaliation will be investigated in accordance with the same procedures utilized and described below. Individuals also may file complaints of retaliation with the federal or state enforcement agencies (EEOC or New York State Division of Human Rights.)
Any individual found to have engaged in retaliation as defined in this Policy may be subject to disciplinary action up to and including termination, and/or other corrective or remedial action as necessary and permitted by an applicable collective bargaining agreement or state law.

D. Other Unacceptable Conduct

This policy also prohibits conduct of one employee toward another that may not rise to the level of discriminatory harassment in violation of the law, but nonetheless creates a degree of hostility or intimidation that adversely affects the work environment. Teasing, ridicule, and other conduct intended to annoy, personally attack, belittle or embarrass another individual is inappropriate and also unacceptable in the workplace. Therefore, Seneca County encourages the use of its complaint procedure by employees who believe they have been subject to inappropriate conduct by another employee, even if such conduct may not be harassment or discrimination per se. Seneca County endeavors to create an environment in which employees may feel free to raise concerns and are confident that those concerns will be addressed.

IV. REPORTING PROCEDURES AND RESPONSIBILITIES

A. Reporting Procedures

Preventing harassment is everyone’s responsibility. If an employee, intern, volunteer, or non-employee who witnesses or is subjected to a situation which he/she believes constitutes discriminatory harassment in violation of this Policy, Seneca County recommends that the person confront the harasser directly and advise the harasser that his/her behavior is not welcomed and will not be tolerated.

If an employee, intern, volunteer or non-employee who witnesses or is subjected to a situation which he/she believes constitutes discrimination or discriminatory harassment, he/she should file a complaint with the Compliance Officer as set forth below. Anyone who witnesses or becomes aware of potential instances of discrimination or harassment should also report such behavior to the Compliance Officer.

- Compliance Officer: Personnel Officer
- In the event that the Compliance Officer is the subject of the complaint, complaints are to be made to County Attorney

Although encouraged, note that neither this Policy nor state or federal law requires that an individual tell an alleged harasser to stop his/her actions. Failure to do so does not preclude the individual from filing a complaint of discriminatory harassment. Individuals should feel free to keep written records of any actions which may constitute harassment, including time, date, location, names of others involved, witnesses (if any), and who said or did what to whom.

Complaints may be made verbally or in writing. If made verbally, the complaint must be reduced to writing by the individual to whom it was reported. The written report must be given to the Compliance Officer. A form for submission of a written complaint is attached to this Policy, and all employees, interns, volunteers, and non-employees conducting business in the workplace are encouraged to use this complaint form. Individuals who are reporting discrimination or harassment on behalf of other employees, interns, volunteers or non-employees should use the complaint form and note that it is submitted on another person’s behalf.

B. Employee Responsibilities
All employees, interns and volunteers are responsible for refraining from discrimination, discriminatory harassment or retaliation in the workplace. Anyone who witnesses discrimination, discriminatory harassment or retaliation may notify the person responsible that their behavior is inappropriate, and in any and all events, should notify the Compliance Officer.

C. Supervisory Responsibilities

All managerial and supervisory personnel of the Seneca County shall be responsible for enforcing this Policy and shall have particular responsibility for ensuring that the work environment under their supervision is free from discrimination, discriminatory harassment, and retaliation. Failure of a manager or supervisor to comply with this responsibility may result in disciplinary action.

All managerial and supervisory personnel who receive complaints of, observe directly, or otherwise become aware of or suspect that discrimination, discriminatory harassment or retaliation is occurring, will be responsible for immediately forwarding such complaints, in writing, to the Compliance Officer.

Supervisors and managers will be subject to discipline (or other remedial or appropriate action) for failing to report suspected discriminatory harassment or otherwise knowingly allowing the harassment to continue. Supervisors and managers will also be subjected to discipline (or other remedial or appropriate action) if found to have engaged in discrimination, discriminatory harassment, or retaliation.

D. Employer Responsibilities

Seneca County will conduct periodic training on the issues surrounding discrimination, discriminatory harassment, its effects and its appearances, and the role and responsibility of employees and managerial/supervisory personnel in preventing incidents of discrimination and harassment.

Seneca County will also distribute this Policy to all employees, interns and volunteers, and ensure that it is distributed to new employees as they are hired.

VI. INVESTIGATION AND RESPONSE PROCEDURES

Discrimination and discriminatory harassment complaints will be investigated. The Compliance Officer [OR INVESTIGATING OFFICIAL] and/or their designee(s) will conduct a prompt and thorough investigation commencing immediately and completed as soon as possible. The investigation will be confidential to the greatest extent possible.

Any employee, volunteer, intern or non-employee may be required to cooperate as needed in an investigation of suspected discriminatory harassment. As further set forth herein, Seneca County will not tolerate retaliation against those who file complaints, support another’s complaint, or participate in the investigation of a complaint.

The nature and extent of an investigation may vary on a case by case basis dependent upon the circumstances and extent of the allegations. Generally, investigations should be conducted in accordance with the following steps:
• Upon receipt of complaint, the Compliance Officer or their designee will conduct an immediate
review of the allegations, and take interim actions, as appropriate. If the complaint is oral,
encourage the individual to complete the “Complaint Form” in writing. If he or she refuses,
pREPare a Complaint Form or other write up of the complaint based on the oral reporting.
• If documents, emails or phone records are relevant to the allegations, take steps to obtain and
preserve them.
• Request and review all relevant documents, including all electronic communications.
• Interview all parties involved, including any relevant witnesses.
• Create (at a minimum) written documentation of the investigation (such as a letter, memo or
email), which contains the following:
  o A list of all documents reviewed, along with a detailed summary of relevant documents;
  o A list of names of those interviewed, along with a detailed summary of their statements;
  o A timeline of events;
  o A summary of prior relevant incidents, reported or unreported; and
  o Recommendation(s) for the final resolution of the complaint, together with any
recommendations for corrective or remedial actions to be taken.
• Keep the written documentation and associated documents in the employer’s records.

Once the investigation is completed, the Compliance Officer [OR person or office designated to make
final determination] or their designee will make a Final Determination as to whether the Policy has been
violated.

The Compliance Officer [OR person of office designated to make final determination] or their designee
shall promptly notify the complainant of the Final Determination, and also inform the complainant of
their right to file a complaint or charge with the DHR or EEOC, or in an appropriate court.

If a complaint of discriminatory harassment, other harassment, or retaliation is determined to be founded,
Seneca County will take disciplinary and/or corrective action in accordance with law and/or an applicable
collective bargaining agreement. The Compliance Officer will be responsible for overseeing the
implementing of any corrective or remedial actions deemed necessary.

If disciplinary charges are filed against an employee on the grounds that Seneca County has determined
the employee is guilty of discrimination, discriminatory harassment or retaliation, the accused employee
may exercise his/her rights through the disciplinary procedure provided for in his/her collective
bargaining agreement, or state law, if applicable.

VII. FALSE REPORTS

Reporting of a false complaint is a serious act. In the event it is found that an individual bringing the
complaint has knowingly made false allegations, the Seneca County may take appropriate remedial action
and/or disciplinary action in accordance with the provisions of applicable collective bargaining agreement
and/or state law

Discussion Resolution No. 312-18:

Sprvr. Garlick Lorenzetti and Sprvr. Kaiser stated they would vote against the resolution. Sprvr. Kaiser expressed doubts about moving forward with the centralized treatment plan. He questioned how many of the supervisors read the plan in its entirety or did they decide their vote on information provided by the former county manager, which he noted was incorrect. Spending $40,000 per district for another engineering study, hopefully to get five million – and if the funding does not come through, a twenty million dollar project is too much money to put on the back of the users. Sprvr. Garlick Lorenzetti agreed.
adding that she thinks DEC should be notified that we aren’t moving forward with the centralized plan. There are too many unknowns and disconcerting comments about the plan. Sprvr. Davidson questions the increase of $108 to $648 annually in cost to his constituents if we proceed. Sprvr. Trout said the increase is based solely on funding of only five million dollars. It isn’t an accurate number. He said the districts need these corrections and if we decide not to do them now, we have to contact the DEC with another corrective action plan. Delaying action on proceeding with the plan for the improvements was not acceptable. Mr. Priem said the project should be shovel ready in Spring 2021. SEQR will be required; funding needs to be in line, and permitting – there is a lot of work and preparation that needs to begin. Mr. Priem also met with NYS Department of Corrections – they are not interested in operating a sewer business but they agree to fund a portion of the project. NYS DOC wants a to review an engineering survey.
