Approval of Board Meeting Minutes -

The meeting minutes were approved as written for the November 12, 2013 Regular board meeting and the November 19, 2013 Special board meeting.

Reports of Standing Committees

Mental Health Services - Mr. Serven, Chairman. The committee met on November 26, 2013 and approved the following issues for a board resolution. (1) Authorizing Chairman Hayssen to sign the 2014 Early Recognition and Screening Grant contract with New York State for an award of \$119,816.00. Seneca County is the lead agency. This is a 5-year grant. The funding is shared with Tompkins County; (2) Appointment of three individuals to the Community Services Board: Carol Faivre, Waterloo; Jennifer Mander, Seneca Falls; Veronica Mittak, Seneca Falls.

Public Works Committee - Mr. Reynolds, Committee member. The Public Works Committee approved the following issues at its November 26, 2013 meeting: (1) Authorization to renew the contract with the New York State Unified Court System for court cleaning and minor repairs. The contract is for NYS fiscal year 2013-2014. The maximum reimbursement from the state is estimated to be \$69,192; (2) Authorization to replace one air handler for the County Office Building. The cost of the work is \$15,708.00. Funds to be appropriated from the Contingency Fund; (3) The committee approved refiling two part-time Cleaner positions.

Indian Affairs - Mr. Shipley, Chairman. The foreclosure case between Seneca County and the Cayuga Nation is scheduled to be heard on January 7, 2014 by the Second Circuit Court of Appeals in New York City. Chairman Shipley said it would be good to show support by attending the hearing and asked for supervisors to consider traveling to New York City as a group.

Chairman Shipley also reported that he met with Senator Charles Schumer about whether or not the Cayuga Nation submitted a new land-into-trust application to the Bureau of Indian Affairs. Harris Beach requested information from the BIA and to date has not received a response; there has not been any notification by the BIA for public input.

The committee agreed to send a letter to the BIA with copies to our federal representatives for confirmation and/or the status of the alleged re-application for land-into-trust.

Mr. Shipley also said he is in contact with Senator Nozzolio and Assembly Minority Leader Kolb for the status of the county's request for support for NYS legislation to reimburse Seneca County for unpaid taxes on property owned by the Cayugas.

Planning, Development, Agriculture & Tourism - Mr. Earle, Chairman. At its meeting on November 26, 2013, the Committee approved a resolution designating the Chamber as the Tourism

Promotion Agency for Seneca County; and a commitment from the county to match approximately \$190,750 from the state in matching funds.

The Committee discussed implementing a process to enforce the collection of occupancy tax for vacation rentals. It was decided that Mr. Earle, County Manager Rowe and County Treasurer Sciotti would meet and create a policy.

Government Operations - Mr. Westfall, Chairman. The Committee met on November 26, 2013 and voted in favor of a board resolution scheduling a special Board of Supervisors meeting December 30, 2013 to adopt and extend the tax rolls and schedule the 2014 Organizational Meeting on January 8, 2014.

The Committee also recommended that when a Standing Committee has invited individual(s) to meet with the committee, that they be listed early in the meeting line-up. A suggestion to schedule presentations at 6:00 p.m. was offered by Mr. Hayssen.

Technology Committee - Mr. Churchill, Chairman. The Committee voted to refill the position for a Network Administrator recently vacated due to resignation. Mr. Ryrko, Director, Information Technology Department, said there were ten applications for the position. Interviews would begin next week. The position is vital to the department and the county.

Environmental Affairs Committee - Mr. Churchill, Chairman. The Committee discussed an alleged email from Inergy, Inc. directing the boycotting of businesses, specifically those that support the Gas Free Seneca group. The group was formed in 2011 in response to Inergy, LP's plan to "build an integrated gas storage and transportation hub in the Northeast," at the U.S. Salt plant just North of Watkins Glen, NY. EAC Chairman Churchill stated that this is corporate bullying and condemned Inergy, Inc. saying the email crossed the line.

The committee also learned that Ferrara Lumber, Seneca Falls, NY, donated materials to the project spearheaded by Barbara Reese, composting recyclables in the schools. The project continues to move forward.

Finance, Assessment & Insurance - Mr. Prouty, Chairman. The Committee recommended (1) a board resolution approving the County Treasurer's calculation of Mortgage Tax Collections & Distributions and direct such payment of collected taxes; (2) a board resolution authorizing fund transfer over \$1,000 within the Seneca County 2013 budget. Mr. Kubasik, Vice-Chair, said he wants the committee to review the Seneca County Transfer Policy and the MUNIS system. He recalled that MUNIS could be setup to transfer funds from one account line to cover overdrawn items within the budget; (3) a resolution introducing proposed local law 1 of 2014 establishing salaries of certain public officers. Mr. Kubasik stated that this item should be reviewed by the Personnel Committee. He asked for an update on the Performance Evaluations (completed and pending review by department supervisors), and questioned

if the 2014 salaries listed on the local law included receiving a positive performance evaluation. Mrs. Corona, Personnel Director explained that the salaries in the 2014 budget included the step increase. The only position listed in the local law that listed the known salary was the County Manager position and salary; (4) a board resolution adopting the 2014 Seneca County Budget with approved amendments.

During the discussion portion of the 2014 Tentative Budget, Mrs. Garlick Lorenzetti made a motion to amend the tentative budget by removing all funding to the IDA. Mr. Kubasik seconded the motion. Mr. Earle was recognized by Finance Chairman Prouty. Mr. Earle expressed full opposition to the motion and second and said he would not support the motion at the board meeting. The motion was defeated by 2 nays (Shipley and Kubasik); 1 not present (Kaiser) and 2 ayes (Garlick Lorenzetti, Prouty).

Mr. Kubasik made a motion, second by Mrs. Garlick Lorenzetti, to increase the funding for the libraries and Beverly Animal Shelter using reserve funds. The motion carried to increase funding for the Library contracts by \$2,287 and to increase funding for Beverly Animal Shelter by \$1,500, and to increase the Reserve Utilization Fund by \$3,878.

Mrs. Garlick Lorenzetti and Mr. Lafler asked that Pathways be earmarked for funding as the project progresses. Mr. Churchill asked that the 2015 county budget include narratives about any significant changes within a department.

Public Safety Committee - Mr. Reynolds, Chairman. The Committee approved and recommended a board resolution (1) authorizing the Chairman of the Board to sign a three year preventative maintenance contract with Emerson Network Power Liebert Services, Inc. for the Liebert cooling systems in E-911; (2) a board resolution to execute contract documents to accept \$35,000 grant funding, secured through the efforts of Senator Nozzolio and awarded by the NYS Division of Criminal Justice Services, to support maintenance of the runway at the former army depot in Romulus, NY; (3) a board resolution to execute contract documents to accept \$5,843 for community services programs as alternatives to incarceration; (4) a board resolution to amend the 2010 NYS Law Enforcement Terrorism Prevention Program contract. Originally \$9,751.49 was earmarked to support wireless data service to the Sheriff's patrol vehicles. However, the grant is due to expire on 28 February 2014, and these funds will be unspent unless reprogrammed; (5) a board resolution authorizing the execution of the Ignition Interlock Monitoring Grant Contract to receive \$10,850 for Seneca County Probation to conduct the 2013-2014 Ignition Interlock program as an alternative to incarceration; (6) a board resolution authorizing an increase of \$117.30 per week in the salary for the District Attorney. New York State finances 40% of the District Attorney's salary but they will finance 100% of the increase; (7) a board resolution authorizing a contract with the Oneida County Sheriff's Office to provide security at the Central New York Psychiatric Center in Marcy,

NY. The contract is three years and expires December 31, 2016. The contract provides for \$165 per day, per inmate to be paid to Oneida County,

The Public Safety Committee also approved refilling a vacancy for a Deputy Sheriff due to a resignation. A board resolution is not required for refilling a position.

Public Health Services - Mrs. Garlick Lorenzetti, Chairwoman. The Committee approved and recommended a board resolution (1) authorizing an application to be submitted for a grant for 2014-2019 Healthy Neighborhoods Preventive Health Cornerstone program. If awarded, the grant will provide \$100,000 each year (\$500,000 total for 5 years) to cover the cost of a coordinator, conducting referral and door-to-door health home assessments, and providing testing and hazard mitigation supplies for means-tested individuals. There are no matching funds required for this grant; (2) a board resolution for a contract with Jacqueline Suzanne Gould for speech therapy services for the Pre-School Program. The contract provides for a reimbursement rate of \$26.50 to \$40.00 per group session or \$60 to \$70 per individual session.

The Public Health Services Committee also approved refilling a vacancy for a Public Health Sanitarian. This position is paid by 80% grant and 20% New York State aid. A board resolution is not required for refilling positions.

Human Services Committee - Mr. McGreevy, committee member. The Committee approved and recommended (1) a board resolution authorizing a contract with EMPOWER NY program to deliver energy efficiency and energy use education to income eligible customers of participating utilities for the period November 1, 2013 – December 31, 2015. The Weatherization Program would be a contractor and receive payment for work that we provide to those who are eligible for this program. Examples of work include but are not limited to: energy audits, blower door assisted air sealing, attic, sidewall and basement insulation and repair and replacement of heating systems, etc. This would be an additional revenue source of approx. \$75,000+ a year; (2) a board resolution to submit an application for the 2014 New York State RESTORE Program. The annual competitive RESTORE Grant Program allows counties to apply for up to \$50,000 for the purpose of emergency repairs for elderly homeowners with incomes below 60% of the Area Median Income. Each home assisted may receive a grant up to \$5,000 for emergency repairs (such as roof, furnace, plumbing) to address critical home safety conditions. There is no matching fund requirement. If the County is interested in applying, the application will be submitted by the Seneca County Weatherization Department, which will administer the project if awarded. RESTORE has no matching fund requirement; (3) a board resolution authorizing a contract between the Seneca County Division of Human Services and Finger Lakes Community College for the Employee Education and Training Program and Education Coordinator Services. The contract with the community college supports

both the education of individual workers and training within the organization. The 2014 Employee Education and Training Program provides DHS employees options to earn college credit toward completion of a College Certificate, Associate's, Bachelor's, or Master's degree, and attend in-service and non-credit training programs. This contract will not exceed \$67,579.00; (4) a board resolution authorizing improvements (painting and carpeting) to the Seneca County Workforce Development/Youth Bureau Resource Room and Lobby and authorizing a transfer of funds within the DHS budget. The estimate for paint is \$200.00 and the quote for the carpet came in at \$7,957.00 (GP Landing – NYS Contract PC64610). A transfer of 2013 budget is required to accommodate this request.

Mr. Westfall inquired whether local businesses were given the opportunity to bid on the improvements. Commissioner Schillaci believes that local businesses were contacted. Mr. Robert Stuck, Head Building Maintainer, obtained the quotes.

The Committee also approved refilling two positions due to vacancy. An Account Clerk/Typist in the Support Collection Unit and a Senior Social Welfare Examiner position. A board resolution is not required to refill positions.

Chairman's Remarks

Chairman Hayssen appointed members to the recently created Recycling Special Committee. Mr. Stephen Churchill, Mr. Ronald McGreevy and himself.

County Manager Remarks

County Manager Rowe informed the Board of Supervisor that the New York State Division of Homeland Security and Emergency Services (DHSES) awarded Seneca County \$6 million in funds through the competitive 2013 Statewide Interoperable Communications Grant Program for the purpose of upgrading Seneca County's radio equipment to better facilitate inter-regional radio communication.

Mr. Rowe also said the Regional Economic Development Council grant awards would be announced tomorrow (December 11).
