Public Comments: Representatives of projects wishing to make a presentation are encouraged to contact Harriet A. Haynes at (315) 539-1723 so that the needs for presentation materials may be discussed. Comments will be scheduled immediately before review of that project. The Seneca County Planning Board has a policy of reviewing projects with persons present before those that do not have representation.

GML Reviews:

The purpose of the planned unit development provision is to provide a greater degree of flexibility for the development of large tracts of land proposed for development under a single or corporate ownership, which proposes to provide residential, commercial, and industrial activities on the same parcel in a planned, controlled environment.
