Margaret Morse – DCS – The reports from the different agencies that have the areas covering the plan will be added to the plan after each meeting and reported to the full Community Services Board. It is important to get data from OPWDD in order to appropriately plan for services in Seneca County as this board does not know where we may fall short on the plan if we do not know.

Margaret will send a link for Remembering Willowbrook and Heraldo Rivera's investigation. About a person and how far he has come.

Due to OMH and OASAS guidelines, the clinic still has to wear masks in our outpatient clinics.

Denise Vreeland – Mozaic – A report was distributed.

Amanda Bishi– OPWDD – A report was distributed.

Jennifer Clark - Person Centered Services – A report was distributed.

Kaitlyn Laskoski – Law Enforcement Center – A report was distributed.

A review of the 2023 plan was discussed.
