PAID LEAVE POLICY EFFECTIVE IMMEDIATELY  
PENDING COMMITTEE APPROVAL**

WHEREAS, the Seneca County Board of Supervisors adopted Policy #101.713 FMLA on 5/8/2012 (Res. 86-12); and

WHEREAS, the County recognizes that employees are allowed reasonable leaves of absence for the purposes of births, adoption of foster children and adoptions; and

WHEREAS, the County desires to provide primary and secondary caregivers to allow for paid leaves of absences for this purpose; and

WHEREAS, the Human Resources Government Operations Committee reviewed this resolution on their November 28, 2023; now, therefore be it

RESOLVED, the Seneca County Board of Supervisors creates Policy #510.604 Primary and Secondary Caregiver Paid Leave Policy effective immediately:

**PRIMARY & SECONDARY CARE LEAVE**

**PURPOSE:**

Seneca County recognizes the need for time away from work to participate in early child rearing and family planning. This policy is intended to assist employees of the County in better balancing those family needs with workplace demands by providing full-time pay to the employees during this period.

The policy allows eligible employees to take paid leaves of absence for the birth or adoption of a child.

**DEFINITIONS:**

1. 12 Month Period"; (Example): means a rolling 12-month period measured backward from the date leave is taken and continuous with each additional leave day taken.
2. Spouse; the husband or wife of the employee. This does not include unmarried domestic partners.
3. Child; Son or daughter under 18 years of age, or 18 or older who is incapable of self-care because of a mental or physical disability. A "Child" is one for whom the employee has actual day-to-day responsibility for care and includes a biological, adopted, foster or stepchild.
4. Primary Caregiver: Defined as the parent who acts the main source of care for the child or children on a full-time basis during the PSCL period. The Primary Caregiver will receive ninety (90) days of leave.
5. Secondary Caregiver: Defined as the parent who provides supplementary support for the care of the child or children during the PSCL period. The Secondary Caregiver will receive forty-five (45) days of leave.

**ELIGIBILITY:**

An employee is eligible to request PSCL leave if he/she has been employed by the County for at least six (6) months and has worked at least 650 hours during the 6-month period immediately preceding the

leave. This leave is designed only for full-time, salaried employees of Seneca County, both bargaining and non-bargaining members.

Employees applying for and granted a PSCL are required to meet notification and documentation requirements as outlined further in this policy. Failure to meet these requirements may result in the denial or revocation of a family leave.

An employee requesting to take PSCL must:

1. Have fulfilled a minimum of 650 working hours before beginning PSCL.
2. Must return to their previous position within 12 weeks of the PSCL terminating.
3. Must complete a minimum of 2 years of full-time employment with Seneca County or
4. Pay back the balance of the salary received over the length of time the PSCL was taken.

**A. Duration and Basis for Leave:**

Eligible employees are entitled to ninety (90) days of PSCL if they identify themselves as Primary Caregivers, and forty-five (45) days of leave if they identify themselves as secondary caregivers, during any 12-month period for one or more of the following reasons:

- i. New Child - Because of the birth of a son or daughter of the employee, and in order to care for such a child, or because of the adoption of a son or daughter with the employee.
- ii. Leave for a new child cannot be taken later than 6 months after the birth or placement of the child.
- iii. If both an employee and his/her spouse are employed by the County, one employee must identify themselves as the Primary Caregiver and the other must then identify as the Secondary Caregiver.
- iv. PSCL leave must be taken before any other leave request time, when requested in conjunction with other leave requests.

**B. Paid Leave policy for PSCL**

Eligible employees are entitled to receive their full-time, regular rate of pay (Salary) while on PSCL.

**C. Employee Notice and Scheduling Requirements**

An employee requesting PSCL family leave is required to give 30 days' written notice to his/her Department Head before the leave is to begin, except for bona fide emergencies, which will be accommodated as soon as practical.

While family planning and births often have unforeseen circumstances, the employee is directed to make every reasonable accommodation for scheduling purposes.

Employees MUST use their PCSL in a minimum of 5-day increments meaning all time requested has to be used 1 week at a time. For example: an employee can work 2 weeks, then request to use the PSCL leave for 1 week, then return to work for another 2 weeks, etc. PCSL cannot be taken one day on an intermittent basis. It needs to be used in a block of 1 week at a time. PSCL expires one year after giving birth or adopting, despite an unused PSCL balance left.

**D. Restoration to Position**

If the employee returns to work within 12 weeks following PSCL, he/she will be reinstated to his/her former position or equivalent position with equivalent employment benefits, pay and other terms and conditions of employment.

The employees' restoration rights are the same as they would have been had the employee not been on leave. Therefore, if the employee's position would have been eliminated or the employee would have been terminated had he/she not been on FMLA leave, the employee would not have the right to be reinstated upon return from leave.

If the employee fails to return within 12 weeks following a leave, the employee will be reinstated to his/her same or similar position, only if available, in accordance with applicable laws. If the same or similar positions are not available, the employee may be terminated.

**E. Medical Certification & Reporting Requirements**

PSCL leave requires a medical provider's documentation attesting to the pregnancy and projected birth date, and the employee must submit a completed "Physician or Practitioner Certification" form (available at the Personnel Office) and return the certification to the Personnel Officer. A

Medical Certification must be provided by the employee within 15 days, or as soon as reasonably possible. Failure to provide certification may result in a denial of leave. Medical certification may be provided by using the medical certification form available from the Personnel Office.

**F. Effect on Benefits**

An employee granted PSCL will continue to be covered under the County's group health insurance plan under the same conditions as coverage would have been provided if continuously employed during the leave.

Employee contributions will be required either through payroll deduction or by making direct payment arrangements with the Seneca County Insurance Office. The employee must fully comply with those arrangements throughout the leave or risk termination of the health benefits.

Employee contribution amounts are subject to any change in rates that occurs while the employee is on leave.

Employee accrues leave dates per the regular accrual rates in accordance with current county policies while on PSCL.
